To Santa Fe - Fort
place "Cerrito" - closed.

To San Antonio - near
of my by shade house, 11
about 10000 feet, badly
washed out, the road, paved
and now with a long side of
hill - much better.

M, along coast to Bird Point.
Collected chiefly at 9/1 - 9/2
and 9/3, both the same, 10/12.

Supper at Fort Bragg, 10/12.

Checked 50th & 1st with John & Ted to
of the canyon.

To San Vicente - saw some good
good "Covado"

To Morning Vicente, Bessie, &
Denny & Joe.

Met Ed Cameron, who has been
with me on many occasions and who
is a very good person. He is a
mission for the same purpose as the
first one but remaining in the same
place. He is an excellent person
and has been very helpful. Mission
to the family of the first side.
about 10 miles from the first side, but
more to the south. Saw some good
of the side - would have been very
pleasant about 10 miles, still in the
same.

Log 97

Breakfast at Johnny's Place -

To Canada - tide in, no collecting.

To beach at Santa Dominga mouth - tide not good, got few Littorinae, etc.

To Hamilton Beach, in Jap. Just by 6-8 Acidules & kumato - quite a noisy kind. I saw grassy field mops seemed amused, made no effort to call them off. So I heard from: "Smother, Smother (with adjectives) Japanese."

Back dinner at Johnny's. etc.

Early fog

Fog lifted about 9:00 am. Sun
broke through, slowly, from under
fog lifted about 11:00 am

* Snake - Black Rat Snake, out-
fence (not Raccoon). On dirt
road, (highway) on skid marks.
Overtaken a fighter.

* Snake - Yellow Rat Snake - on
dirt road across salt flat
near Sta. Maria for road, behind for
about. Only probably minor.

* Snake - Black Snake - asleep in
dirt pit, at Km. 267, off road
mill on St. Quintin Hwy. Work
when stopped for 10:30, found it
outstretched along shoulder but kept
out of view, in weeds - struck
but not seriously by my car.

Visited still more good brush, even the
old colony pits St. Quintin. Struck on high center
